

Hello everybody! This holiday season we are starting something new and exciting at Hillcrest. We are starting our own pet drive to raise money and collect food for the needy, homeless animals in Monongalia County. Most of us are fortunate enough to be able to supply food for our pets and our pets are fortunate enough to have homes. This is not always the case, so this holiday we want to help the animals and animal owners that are in need. The food will be donated to Animal Friends shelter to feed the homeless animals and to Mon County Humane Society to help fill the food pantry. The money donations will go towards the fund at the Canine Adoption Center to help medicate the animals while they await their forever home. Please stop by the clinic for the month of December and donate a bag of cat or dog food or make a monetary donation. We are offering a free nail trim for food donations and any monetary donation over \$10. Show that you care for the needy animals this holiday season!

For the month of December!
