

## UPCOMING EVENTS:

We have two exciting events taking place this month:

The first event is the West Virginia State Bodybuilding Championship. Our very own, Dr. Kelley Owen, is competing Saturday November 20<sup>th</sup> at the Wheeling Downs Racetrack.

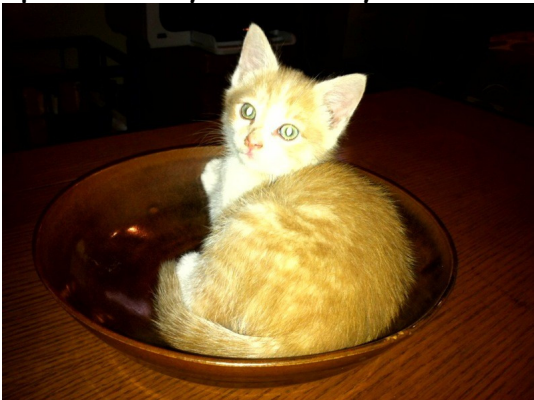

### **GO KELLEY!!**

The second event is the Agility Dog Trial that is being held at Mylan Park on Saturday November 20<sup>th</sup> and Sunday November 21<sup>st</sup>.

## ADOPTIONS:

I would like to send out a special **THANK YOU** to our dear clients and friends Leah Reed and Linda Frederick. They adopted not 1, not 2 but all 3 of our adoptions. You are the best clients; we know they are going to an awesome home.

I would also like to thank one of our own, Valerie Vapner, for adopting one of our kittens. We are so glad you added a feline species to your family!

Right now we have an eight-week-old little orange/white male kitten. He has been felv/fiv tested, vaccinated, de wormed and will be neutered. He is ready to go! We should be getting a few more kittens so if you are looking for a female or one a different color, let us know!!

## ADOPTION CENTER CRITTERS:

Dana was happy to report that she had a couple great adoption days and that she only had one dog left for adoption at the shelter. **YEAH!!**

So this month we are featuring some great cats that are up for adoption.

Vuitton is a quiet, apricot and white cat. He is only 10 months old and pretty much keeps to himself. He likes long gentle strokes from his head to tail.

Willow is a female gray tabby that enjoys jumping and toys that she can chase. She is 1 yr old and small for her age. She is attentive and would probably make a great mouse hunter.

Willis is a male 7 month old who is laid back about everything. He doesn't play much, and probably won't care a thing about mice that scurry around in front of him, but if your looking for a mellow fellow then he is the one!

That is all we have for this month. We hope you enjoyed all the pictures. 😊 If you have any questions about the adoptions, let us know. Have a happy Thanksgiving!
